Re: Intervention – Wave 3 Provision

Dear Parent/Carer,

As part of our ongoing commitment to supporting every student in reaching their full potential, we are continuing to offer targeted intervention through our **Wave 3 Provision** for selected Year 8 students.

Last year, your child took part in baseline and reading assessments which helped us identify areas where additional support would be beneficial. These included reading fluency, comprehension, writing, spelling, punctuation, and numeracy. We are pleased to let you know that your child has been selected to continue with Wave 3 Provision this academic year.

What is Wave 3 Provision?

Wave 3 is a small-group, nurturing environment designed to boost students' literacy and numeracy skills. The sessions focus on reading, writing, SPaG (spelling, punctuation and grammar), comprehension, and numeracy, helping students build confidence and close gaps in their learning.

These lessons are timetabled during Humanities and Modern Foreign Languages (MFL) periods. Students will still access History and Geography content, but it will be delivered in a way that is tailored to their individual learning needs.

Next Steps:

Your child will receive their timetable today and will bring it home. We kindly ask that you check it to see when Wave 3 sessions are scheduled.

The duration of the intervention will depend on your child's progress and will be reviewed at the end of each half-term. If you have any questions or would like further information, please don't hesitate to contact me.

Thank you for your continued support.

Yours faithfully,

Mrs R Turner
Assistant SENCo & Intervention Lead
