25th September 2025

Dear Parent / Carer

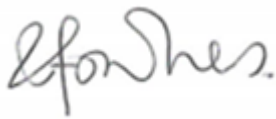

Please find attached on the next page, the Art Schedule which details the work your child must complete by half term (24th October 2025).

The schedule lists what work each pupil will be completing in class every week and also what the pupils need to complete for homework.

Please encourage your child to tick off, (on the schedule) when a piece of work has been completed, so that you can both see what progress is being made. Each pupil will have this stuck into their sketchbooks by the end of this week.

If your child has any concerns about how to complete their work to the best of their ability, please contact me via this email address.

Thank you for your ongoing support.
