Dear Parent/Carer

You are receiving this email because your son/daughter took part in last year's Dorset Walk. As you may be aware, the walk has grown significantly in popularity, and we have now reached our maximum capacity, at KSA we are unable to expand numbers any further.

Given this, we feel it's only fair to offer previous participants the opportunity to sign up before we open registration to the rest of the school.

You can find the letter and full details, including how to sign up, via the invite letter on the following link:

You'll notice that the cost has increased this year. Unfortunately, rising costs across the board have made this unavoidable. We remain committed to keeping the price as low as possible, and we've been able to offset some of the increase thanks to generous donations and support from businesses and individuals.

If you or someone you know may be able to support the walk this year — whether through sponsorship, donations, or resources — we would be incredibly grateful. As you can imagine, providing for 600 participants involves significant expense!

Thank you for your continued support.
