

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

15th October 2025

Dear Parent/Carer,

GCSE Triple Science Knowledge Organisers and Retrieval Books

To support your son/daughter in preparing for their forthcoming Science GCSE exams—both the **January finals** and the **May/June public exams**—we are offering a discounted bundle of **CGP Knowledge Organisers** and **Retrieval Practice booklets**. When used regularly for revision, these resources can help students consolidate learning and work towards achieving, and hopefully exceeding, their target grades.

The booklets can be ordered through the school at a **discounted price of £4.25 per subject** (Biology, Chemistry, and Physics), totalling **£12.75**. This represents a saving of **£9.75** compared to the retail price. We strongly encourage you to support your child in revising for the January finals and the six Science exams this summer, as this will significantly boost their attainment. In addition, all Year 11 students will receive effective revision resources during science lessons. The CGP booklets are intended to further support independent revision at home.

How to Order:

- Please return the confirmation slip below to your child's science teacher.
- Make payment via **ParentPay** (<https://www.parentpay.com>) by **Friday 14th November**.
- Books will be ordered and distributed to students after the half-term break.
- If you are unsure whether your child is sitting the **Higher** or **Foundation** tier, please leave this blank on the reply slip—we will ensure the correct books are ordered.

We hope that working in partnership will help your child achieve the best possible grade. Thank you in advance for your support. If you have any questions, please do not hesitate to contact me at school.

Yours sincerely,

Mr B Choto

Second in Faculty: Science
