Dear Parent/Carer

Apologies for the delayed response.

I/We have been a victim of our own success!

When I asked for the deposit payment, we officially had about 85 places available. We opened ParentPay on the Friday, by Monday morning we had almost 100 deposits paid and people requesting additional places once we had closed the payment option.

I really want to make sure that I do everything I can to allow to young people to take part, if they wish to do so.

That does cause a bit of pressure at my end. It has meant I have decided to hire an additional minibus!

Perhaps most importantly for you, if you are receiving this email - It confirms you have a place on the Dorset Walk 2026.

- The previous letter shared at the beginning is here for your reference.

- The next stage is for you to complete this permission form – [Form link](#)
- If you were unable to pay the deposit as it had closed - Please check now, you should be able to pay.
- The full payment can be paid on a schedule that works for you, as long as it is paid in full before the end of May 2026
- Throughout the year I will send updates and further information - In the Spring there will be an information evening that will cover further details

If you are ready to set up your fundraising page, could you please do it via the link below.

This will allow us to keep a total of KSA's fundraising efforts - as long as you do it via this page

As I say, lots more information will be shared at the meeting in the new year.

We would appreciate it if you would follow our social media pages to keep up to date and see what the charity does https://linktr.ee/tmwf_uk

Many thanks
