

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

12<sup>th</sup> December 2025

Dear Parents and Carers,

As we approach the end of another busy and successful term at KSA, I want to take this opportunity to thank you for your continued support. This term has been filled with positive feedback and appreciation, and having your backing makes our work so much easier. Thank you – I really appreciate it.

This term has seen improvements across the board. Behaviour across the school continues to impress, creating an ever calmer and more focused environment for learning. We are also delighted to report strong progress in academic outcomes, reflecting the hard work and commitment of both our students and staff.

In short, the measures we aimed to raise have risen, and those we aimed to reduce have fallen.

These successes are a testament to the collective effort of our entire school community. Our students are striving to do their best, and our staff continue to go above and beyond. The autumn term is long and physically and mentally challenging, but writing this letter with such positivity and gratitude makes it feel incredibly worthwhile.

Looking ahead to 2026, our ambition remains clear: to keep improving. We will continue to focus on raising attendance, maintaining the highest standards, and securing even better outcomes for all your children.

In the coming days, you will receive more information clarifying the end-of-term and start-of-term arrangements.

As we head into the festive season, I would like to wish you and your families a very Merry Christmas and a Happy New Year. I hope you enjoy a well-deserved break and find time to relax and celebrate together.

We look forward to welcoming everyone back in January for another exciting term ahead.

Warm regards,

**Mr D Whales**  
Headteacher
