8th January 2026

Dear Parent/Carer

For the first time ever at KSA, we are delighted to be able invite you to our **Year 9 Project Exhibition Evening**, taking place on **Wednesday 14th January**.

Y9 Exhibition Evening KEY Details

Date: Wednesday 14th January

Time slots: Anytime between 4:45pm – 5:20pm or 6:10pm – 7:00pm*

**In between these times, 5.20-6.10pm, staff will be prioritising speaking to Year 8 students and parents for their options evening which is running concurrently. Furthermore, if you have another child in Year 8 and/ or 11 (Y11 Parent Information Evening, 5.30-6.15pm), please await further instructions on how best to proceed with the evening.*

Please sign up for the evening, using the following link** : <https://forms.office.com/e/Vf5KmeJ33W>

***Some larger subjects may not be able to display all student work. By signing up, we can ensure your child's work is more easily accessible during the evening.*

Further Details

This evening will celebrate the real-life projects your child has been working on across their subjects, having had the chance to explore real-world problems, be creative, work as a team, and apply their learning in exciting and meaningful ways.

Work from all subjects will be displayed around the school**. You are welcome to walk around at your own pace, view the work, and talk with your child about what they have created and learned in each of their subjects. You will also have the opportunity to speak to staff, should you wish to do so.

This is a fantastic opportunity for parents and carers to:

- See the high-quality work that has been produced by our students
- Celebrate effort, creativity, and progress
- Engage in your child's learning

We really do hope that you can join us for this exciting evening and share in your child's achievements.

Kind regards,

Mr W Bradley
