Dear Parent/Carer,

Please be advised that the Pathways Choices form has been sent to students' school email addresses today. The deadline to complete this form is Friday 6th March.

The allocation of subjects will not be based on a first come, first served basis, so please take the time to support your child in completing the form carefully. However, all forms must be submitted by the deadline. Any student who does not complete the form on time may be allocated subjects they have not chosen.

To access school emails from home, please go to our website (<https://www.kenstimpson.org.uk/>), select "KSA Portals > For Students > Email" then login with their school email address/password

If students have not accessed the IT system from home before, they may be asked to setup 2-factor authentication. Instructions from our IT Services Team can be found on the link below

<https://itservicedesk.kenstimpson.org.uk/support/solutions/articles/43000655335-registering-for-2fa-self-service-password-reset>

If students have any difficulties accessing their emails, please contact Pathways@kenstimpson.org.uk. We will then arrange for them to complete the form in school when we return after half term.

Kind regards,

Mr T Hussain
