20th March 2026

Dear Parent/Carer,

Thank you to everyone who has expressed interest so far in the proposed 9-day educational visit to China in October/November 2026. We have been very encouraged by the positive response and are pleased that so many students are excited about this opportunity.

If you have not yet responded but would like your child to be considered for the trip, please do let us know, as we now have limited spaces left. At this stage, we are continuing to gather expressions of interest before confirming the next steps.

We also understand that the full cost of the trip may be a barrier for some families. If your child is passionate about attending but the cost presents a challenge, please contact us confidentially. We may be able to discuss potential options or support. Likewise, if you would require a longer payment period than currently outlined, please let us know confidentially.

To register your interest or discuss any queries, please email r.patman@kenstimpson.org.uk. Thank you once again for your support and engagement.

Yours sincerely

Mr D Whales
