

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

27th March 2026

Dear Parent/Carer

Last year, a number of parents asked me if we could put on an information evening for them focusing on **Student Finance**. I was grateful to Clive from ARU Peterborough for coming in to speak to parents and I know some of our current Year 13/14 parents attended Clive's session.

We are going to repeat this offer again this year, with the evening open to the parents/carers of any students considering university applications either this year or next. This year Emma Hillier from Anglia Ruskin University Peterborough will be joining us on **Thursday 16 April between 6PM and 7PM in the School Conference Room**.

We will have spaces for **50 attendees** and can offer up to **two places per family**. There is no requirement for your son/daughter to attend with you as the focus will be on what parents will need to do in terms of the Student Finance process. However, if a parent cannot attend, a student is more than welcome to attend in their place.

I will clearly prioritise the families of the UCAS applicants but will then offer any remaining places to Year 12 parents who may be thinking ahead for when their child considers applying to university next year. To ensure that we are not oversubscribed, please fill in this short online form to book your place at the event. I will send email confirmation after the Easter break to confirm who has been allocated the 50 spaces.

<https://forms.cloud.microsoft/e/GsRdebwRHc>

I will endeavour to share the slides with parents/carers after the event to support those unable to attend on the night. I will also be on hand on the evening to answer any other questions that parents may have about the UCAS process and what happens next.

Yours sincerely

Mr. Kevin Abbott
Assistant Headteacher
