

27th March 2026

Dear Parents/Carers

As we approach the Easter break, I would like to make you aware that a range of **Year 11 Easter revision sessions** will be running over the holidays. Most sessions are open to all students, with a small number being invite-only for targeted support. The timetable below shows the sessions running, their room locations, and whether they are invite-only. Please note that students will not need to wear school uniform but will need to sign in at and out of school reception. **Please spend some time with your child reviewing which sessions they should attend.**

To help teachers prepare, **please complete the Microsoft Form** below so we can confirm expected numbers: [GCSE Easter Revision – Fill out form.](#)

If your child has been invited to an invite-only session and cannot attend, please inform the teacher directly.

Further revision sessions will also run during the **May half-term**, with details shared closer to the time.

As we move into the final weeks before the summer exams, it is important that students balance revision with rest. No amount of revision will be effective if students do not return after Easter rested, recharged, and ready both physically and mentally.

All students have now received a copy of the **summer exam timetable**. Please review this carefully and ensure your child is available for all exam dates.

Exams cannot be rearranged. Any missed paper will be graded as a U, unless exceptional circumstances meet exam board requirements for special consideration.

Finally, I would like to remind you of the **pastoral support** available in school. If you feel your child would benefit from additional support, please contact Mr Reed or me, and we will ensure this is put in place.

Yours sincerely,

Mr S. Isaac
Associate Assistant Headteacher / Head of Year 11
