Dear Parent/Carer,

Re: Year 9 science exam Tuesday 2nd June

I am writing to inform you of a change to the date of the Year 9 Science exam. Originally, these exams were scheduled to take place during the two-week period beginning Monday 15th June. However, the exam will now take place on **Tuesday 2nd June**.

This adjustment has been made for two key reasons. Firstly, it will allow us more time to thoroughly analyse the assessment data. Secondly, it will support the process of reviewing and, where appropriate, regrouping students ahead of the start of Year 10. This will ensure that your son/daughter is placed in the group best suited to support their progress and maximise their achievement.

Please be assured that the Science team has already begun preparing students through targeted revision and will continue to support them right up to the exam.

If you have any questions or require further information, please do not hesitate to contact me.

Yours sincerely,

Mr B Delve
Head of Science Faculty
