

15<sup>th</sup> May 2026

Dear Parent/Carer

I am writing to follow up on my recent communication regarding student attendance to lessons during the school day.

I am very pleased to report that students have responded extremely well to this change in approach. Since reinforcing our expectations, we have seen a significant improvement in lesson attendance across the school. The vast majority of students have made positive choices and are attending lessons as expected.

As a result, only a very small number of students have needed to be suspended for truancy. This is a strong reflection of the maturity and responsibility shown by our students, and we are proud of the way they have responded.

We are committed to maintaining this improvement over the coming weeks and ensuring that high standards remain consistent for all students.

I would like to take this opportunity to remind parents and carers just how important each and every lesson is. Missing even a single lesson can have an impact on a student's learning, progress and confidence. Your continued support in reinforcing this message at home is invaluable – please do take a moment to remind your child of the importance of attending every lesson, on time and ready to learn.

Thank you once again for your ongoing support and partnership. It is greatly appreciated and plays a vital role in ensuring the success and wellbeing of all our students.

Yours sincerely,

**Mr P Swift**  
Deputy Headteacher
