1st June 2026

Dear Parent/Carer,

As we approach the final half-term of the academic year, we are placing a renewed focus on kindness, respect, tolerance, and anti-bullying as part of the concluding phase of our *Kick Start* programme.

Throughout June, we will be actively celebrating acts of kindness across our school. Staff and students are encouraged to recognise one another through our **Caught Being Kind** initiative, where nominations are recorded and entered into a recognition draw. These moments help us highlight the positive contributions our students make every day.

We know, however, that many acts of kindness take place beyond the school gates. We would therefore love to involve parents and carers by inviting you to share examples of kindness you have seen at home or in the community. Any nominations submitted will be included in our recognition draw alongside those from within school.

In addition, we are continuing to promote opportunities for students to thank members of staff who make a difference to them within school. A simple appreciation can go a long way, and we would also like to extend this opportunity to you as parents and carers. If there is a member of staff you would like to recognise, we would be delighted to pass your message on.

To submit a student nomination or staff appreciation, please use the following link throughout June:

Thank you, as always, for your continued support in helping us foster a positive and caring school community.

Yours sincerely,

Mr P Swift
Deputy Headteacher
