

17<sup>th</sup> June 2026

Dear Parents/Carers,

### Health Related Behaviour Survey 2026

This term, students in Years 8 and 10 will be taking part in the Cambridgeshire and Peterborough Health Related Behaviour Survey.

The survey helps schools better understand the health, wellbeing and experiences of young people so we can continue to improve the support we provide. Questions cover topics such as healthy lifestyles, emotional wellbeing, bullying, internet safety, relationships, and awareness of drugs and alcohol.

The survey is anonymous and confidential. No individual student will be identified in any reports shared with the school or Local Authority.

If you would like to view a copy of the questionnaire, please contact the school office.

As part of the survey, it would be helpful if your child could bring their postcode with them on the day, although only part of this will be used and individual homes will not be identified.

The survey will take place within the next month. If you have any questions or would prefer your child not to take part, please contact the school.

Thank you for your continued support.

Yours sincerely,

**Mr M Tomkin**  
Student Support Assistant for Lower School / Personal Development Lead
