Dear Parents and Carers,

As we approach the end of term, I would like to inform you that on the final day of term, the school day will finish earlier than usual. Students will be dismissed at **12:30pm** instead of the normal finish time of 3:15pm.

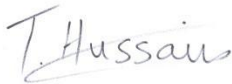

Please make any necessary arrangements to ensure your child can travel home safely at this earlier time. If this earlier finish creates difficulties with childcare arrangements, please contact the school as soon as possible. We will be happy to make arrangements for students to remain on site until the usual finish time of 3:15pm.

To accommodate the shortened school day, there will be **one break only** at an earlier time than usual, which will be the sole opportunity for students to purchase food and drinks from the school canteen. We therefore encourage students to eat breakfast before arriving at school.

Students who are entitled to **Free School Meals** will need to collect their meal during this break. No food service will be available after this time.

Finally, we would like to wish all students and families a restful and enjoyable summer holiday.

Yours sincerely,

Mr T Hussain
Assistant Headteacher
