

Headteacher: Mr D. Whales | **Chair of Governors:** Mr A. Brown

DWS

17th July 2026

Dear Parents and Carers,

As we reach the end of another school year, I would like to thank you for your continued support and engagement. At KSA, we have seen another year of rapid improvement, exciting new initiatives and growing success across our school. We are incredibly proud of what has been achieved.

We are delighted with all that our pupils have accomplished this year and are grateful for the encouragement and support you provide at home, which plays such an important role in their success.

On behalf of all the staff, thank you for being part of our school community. We wish you and your families a happy, safe and relaxing summer break, and we look forward to welcoming everyone back in September for another brilliant year ahead.

Yours sincerely,

Damien Whales
Headteacher
