KEN STIMPSON ACADEMY

Headteacher: Mr D. Whales | **Chair of Governors:** Mr A. Brown

29th September 2026

Dear Parents/Carers,

We have received enquiries from a number of families regarding the school meal provision now being provided by Innovate (New company from this September)

There has been a change to some of the food options available. This is due to the Government's drive to ensure that students are offered a healthier range of meals and food choices throughout the school day. Which whilst this might not be popular, it is made with children's health as the most important consideration.

With regard to the Free School Meal (FSM) offer, the meal deal shown in the attached leaflet (on the next page) provides students with a choice of a main meal together with either a dessert or a piece of fruit.

Within the canteen, there is a hydration station that provides free drinking water and cups, and there are also several water stations located around the school to help students remain hydrated throughout the day.

In addition, to the Free School Meal a free breakfast for all students, is available between 8:00am and 8:30am each morning.

Students are able to use the funds available on their accounts during morning break and are free to choose from any items being served that day. However, depending on the items selected, the total cost may exceed the £2.75 FSM allowance (set Nationally), if they choose not to go for the Meal deal option. Parents and carers may add additional funds to their child's account should they wish.

We hope this clarifies the changes and reassures families that a range of healthy and nutritious options continues to be available for all students.

Kind Regards

Mrs R Mercuri-Butcher
Business Manager / Designated Safeguarding Lead
