

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

Dear Parent/ Carers

Instrumental Lessons

At Ken Stimpson Academy we recognise the huge benefit a child gains from learning a musical instrument. We have highly trained and experienced peripatetic teachers that work with the school. This is a perfect opportunity for students to develop musical skills they already have or to learn a new instrument.

We have the following sessions available; some instrumental lessons offer 20-minute and 30-minute options. We would like to provide other instrumental lessons such as Woodwind & Brass; however, there needs to be enough interest for these sessions to run as they are dependent on student numbers. If your child currently receives instrumental lessons of these instruments and is keen to continue with this, please get in touch with us and we will happily contact their current peripatetic teacher to see if they will continue within our school.

Instrument	20 Minute weekly lesson	30 Minute weekly lesson
Piano	£15.00	£22.00
Drums	£15.00	£22.00
Guitar	£12.00	£16.00
Violin	£12.00	£18.00
Singing	£15.00	£22.00

For students accessing Free School Meals, the school will pay 50% of the tuition price, please contact us if you require more information on this.

Should you have any queries about instrumental lessons, please do not hesitate to contact me via the below e-mail address.

Yours faithfully

Miss S Ward

Teacher of Music
