

# APPRENTICESHIP NEWSLETTER

June 2020

## We are still recruiting

Like many schools and colleges across the country our campus is mainly closed for the foreseeable future, in some areas current Apprentices are returning to their studies. Our Apprenticeship team are fully committed to supporting future careers whilst working remotely.

We are doing our best to minimise disruption in the Apprenticeship journey by conducting pre-assessments and interviews on-line. We are working with employers promote Apprenticeship vacancies on our website.

Candidates are able to apply for Apprenticeship Vacancies with predicted grades and support will be put in place as required. We are also offering on-line IAG sessions for schools in particular year 11 and 6th form. If this would be helpful for your students please get in touch via [business.development@peterborough.ac.uk](mailto:business.development@peterborough.ac.uk)

## Amazing Apprenticeships Parent Guide

Amazing Apprenticeships is a fantastic website for resources on Apprenticeships for both Teachers and parents.

The latest Parent Guide is OUT NOW (please find attached) this is a great resource to send out to parents of students in year 11 and year 13 to additional careers advice.

Resources can be downloaded from <https://amazingapprenticeships.com>

More information and application forms can be found at [www.peterborough.ac.uk/apprenticeships](http://www.peterborough.ac.uk/apprenticeships)

## Covid-19 FAQs

What parents and teachers need to know to support young people.

### Are there any Apprenticeship jobs at the moment?

Yes, the good news is that we are still seeing some vacancies for Apprenticeships being advertised across the local area and England, however there are less than we would normally be enjoying at this point in the year.

### Where should students be looking for vacancies?

As well as our website another great place to start is the government's [Find an Apprenticeship](#) website. It is also a good idea to check employer websites and jobs boards. Students can join our mailing list and candidate pool to be the first to hear about new vacancies as we get them from employers.

### When will new Apprenticeship courses going start?

We are planning to start new Apprenticeships within the workplace via remote learning from October 2020, however face to face college learning is unlikely to start until January 2021 subject to covid-19 guidance and restrictions. Candidates and employers will be kept up to date with the latest information.

### Where can students get support?

Our team are working remotely to support future Apprentices and employers. To access advice and guidance on Apprenticeship please email [apprenticeships@peterborough.ac.uk](mailto:apprenticeships@peterborough.ac.uk)

## Wellbeing Week Resources

Monday 22nd June marks the start of World Wellbeing Week. During the current pandemic it is more important than ever to promote wellbeing. Amazing Apprenticeships have put together a range of fantastic resources for you to use and share with parents.

Resources can be downloaded here:

<https://amazingapprenticeships.com/resource/5-resources-to-help-support-wellbeing/>

## More FREE Apprenticeship Resources

As already mentioned Amazing Apprenticeships have a range of FREE resources about all things Apprenticeships. Here are some of our favorites:

- [Online Apprenticeship Awareness Assemblies](#)
- [Learn at home one-pager for teachers](#)
- [Teacher and Careers Advisors Webinars](#)
- [The Apprenticeships A - Z of Women at Work Case Studies](#)
- [School Diversity Week - Just Like Us](#)

We are still taking applications for **Apprenticeships** starting September
