

KEN STIMPSON COMMUNITY SCHOOL CAREERS

WINTER 2023

CATCH US ON  

❄️ Welcome to our Winter Careers Newsletter! ❄️

THE INTERVIEW

In January, our **Year 11** students had mock interviews with local businesses, a valuable opportunity for them to experience an interview and to develop their communication skills that will help them all as they enter the next stage of their education! We are extremely grateful to all local businesses - **Peterborough City Council, Anglian Water, NHS, DWP, BGL Kier Construction, the**

Army, HMPO, Banc Services, Baker Perkins, and Barclays - that have supported the school with this event in providing these opportunities for our students.

DAYS@UNI...

In January, some of our **Year 9** students visited **Anglia Ruskin University** in Peterborough - an opportunity to tour the new campus and also participate

in workshops on business, marketing and Primary education!

Then in February, some students from **Year 8** attended the University's '**Eyes on the Prize**' event! The event supports students who are choosing their GCSE options. The students were able to meet a range of employers, universities and apprenticeship providers!

KEN STIMPSON COMMUNITY SCHOOL

Thursday 23rd March

YEAR 10 WORLD OF WORK DAY

Consent forms back by 23rd February

If you have any questions, or need a new form, please see Mrs Patman in the Careers hub, 3L07

KEN STIMPSON COMMUNITY SCHOOL CAREERS WINTER 2023

GUESS the PROFESSIONAL?

In February, we welcomed visitors from **Anglian Water, Morgan Sindall, Aldrich Group** and **NEACO** into school for the Year 8 'Guess The Professional' event.

Students worked in small groups to interrogate our guests and try and work out their job role and who they worked for!

A TASTE OF COLLEGE:

In January, students from **Year 11** attended a 'taster day' at **Stamford College**, where they got the chance to discover a little bit about college life!

A VISIT TO: Baker Perkins schenckprocess group

A group of students from **Year 11 & Year 13** had the opportunity in February to tour the British engineering company **Baker Perkins Ltd**, and discover a bit more about exactly what they do and the diversity of roles in the business, as well as details of their current apprenticeship opportunities!
