

**Name of School: Ken Stimpson Community School Provider Access Policy Statement**

**(To include The Department of Education, July 2021: “Baker Clause” and the Provider Access Legislation, January 2023)**

**Ownership: Ken Stimpson Community School**

**Date updated: January 2023**

**Rationale**

High quality careers education and guidance in school or college is critical to young people’s futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

**Commitment**

Ken Stimpson Community School is committed to ensuring there is an opportunity for a range of education and training providers to access students, for the purpose of informing them about approved technical education qualifications and apprenticeships. Ken Stimpson Community School is fully aware of the responsibility to set students on the path that will secure the best outcome which will enable them to progress in education and work and give employers the highly skilled people they need. That means acting impartially, in line with the statutory duty, and not showing bias towards any route, be that academic or technical.

Ken Stimpson Community School endeavours to ensure that all students are aware of all routes to higher skills and are able to access information on technical options and apprenticeships (The Department of Education, July 2021: “Baker Clause”: supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023).

There will be in line with the legislation:

- Two encounters for pupils during the “first key phase” (Yr 8 anytime) (Yr 9 by 28<sup>th</sup> February) that are mandatory for all pupils to attend.
- Two encounters for pupils during the “second key phase” (Yr 10 anytime) (Yr 9 by 28<sup>th</sup> February) that are mandatory for all pupils to attend.
- Two encounters for pupils during the “third key phase” (Yr 12 and 13 anytime) that are mandatory for the school to offer but optional for pupils to attend.

**Aims**

Ken Stimpson Community School’s policy for Access to other education and training providers has the following aims:

To develop the knowledge and awareness of our students of all career pathways available to them, including technical qualifications and apprenticeships.

UPDATED JANUARY 2023

To support young people to be able to learn more about opportunities for education and training outside of school before making crucial choices about their future options.

To reduce drop out from courses and avoid the risk of students becoming NEET (Young people not in education, employment or training).

### **Student Entitlement**
