May Half Term Intervention Sessions

Dear Parent/Carer,

During this coming half term, we will be running intervention and revision sessions to support the progress of our examination group students. The schedule of sessions being offered is included below. I would recommend that your son/daughter attends these sessions to close any gaps in their knowledge and gain further confidence in preparation for their summer examinations.
We ask that your son/daughter brings a packed lunch with them as the school canteen will not be open and their normal school equipment is required for lessons. Students do not need to wear full uniform, but they do need to be in smart-casual attire and ready to learn. A positive attitude and good behaviour are essential to the success of the sessions. Should students' behaviour affect their learning, or the learning of others, the teacher reserves the right to dismiss students from the session.
