### **Thank You for Joining Our Year 7 Core Subject Evening**

Dear Parent/Carer,

On behalf of the entire staff at Ken Stimpson Academy, thank you sincerely for joining our first ever Year 7 Core Subject Evening. It was wonderful to see so many of you engaged and eager to learn more about the academic journey in our core subjects. Your participation and support truly make a difference in fostering a strong partnership between home and school.

We hope you found the evening both informative and valuable, giving you a clearer understanding of their progress in English, Maths and Science and the various ways we're supporting your child's academic growth in these subjects. Your insightful questions and feedback were appreciated, and we are grateful for the chance to connect with each of you at this early stage in Year 7.

Date for your diary: Wednesday 2<sup>nd</sup> July, 2025. Year 7 Parents' evening for all subjects, including core.

We believe that open communication and collaboration with parents are essential to each student's success. As the above date may feel a long way off, please do not hesitate to reach out to us if you have any further questions or would like additional resources. We are always here to support you and your child's educational experience.

Once again, thank you for your time, commitment, and trust in us. We look forward to continuing to work together to ensure their success throughout the year.

Kind regards,

**Mrs C Read**  
**Head of Year 7 & 8**
