Dear Parent/Carer

Yorkshire Sculpture Park Art Trip Tuesday 27th June 2023

I am writing to inform you of an upcoming and exciting opportunity for your son/daughter to visit the Yorkshire Sculpture Park on an Art trip. During the visit, they will be able to experience and learn about modern and contemporary sculpture by visiting the indoor galleries and the beautiful grounds of the 500-acre estate. This visit has been organised to support the pupils' studies and inspire their coursework.

This visit will be taking place on **Tuesday 27th June**. We will be travelling to the park by coach and students will always be accompanied by members of staff, travelling around the park and galleries in small groups. We will depart from school at 8.00am and will leave the park at 3.00pm. We anticipate a return to school by 5.00pm.

Students will not be required to wear their school uniform on the visit but should dress appropriately for a combination of gallery visits and walking through green spaces. We recommend students wear comfortable shoes for walking and prepare for adverse weather by dressing warmly and bringing a waterproof coat if needed. All art supplies for the day will be provided, however, students should bring with them a camera or camera phone as taking a sequence of creative photographs will form part of the day.

Students will need to bring a packed lunch and a drink for the day as we will not have access to any food facilities at the park. For those students in receipt of a free school meal, this will be provided by the school.

The cost for this visit will be **£26**. Spaces on the trip are limited and will be offered on a first-come first served basis. Please secure your child's space on the trip by returning the attached forms with details as soon as possible to their Art teacher. The full balance will then be required through Parent Pay by **Friday 9th June**.

Should you have any queries about this trip please do not hesitate to contact me via the below e-mail address.

Yours sincerely,

M Johnson
