Dear Parent/Carer,

Dear Parent/Carer

GCSE Italian Speaking PPE

To help prepare students for their GCSE Italian speaking exam, we will be completing an initial Speaking PPE (Pre-Public Examination) on **Thursday 2 and Friday 3 November 2023**.

Students will be given an individual appointment for this exam, which will last approximately 15 minutes on one of the scheduled days.

In our lessons this half-term, students have been made aware of this exam and have practiced the skills they will need for the tasks involved, namely a photo card question and general conversation questions. Revision materials and past paper questions have been issued and are published on Microsoft Teams. A regular unit 6 revision session takes place on Fridays after school, where students can practice their speaking skills and ask any questions they may have in preparation.

Please could I ask you to encourage your child to prepare as thoroughly as possible for this PPE as it will help ensure the best possible outcome in the final exams. We plan to run a second speaking PPE in February 2024, ahead of the final exam in late April/early May.

Yours faithfully

Ms Frith
Joint Head of MFL
