Action 3: Circle/highlight lessons you have already finished the course.*

Read this to prepare for subjects that have already finished their courses.
Week0: Art, Drama, Music, Core P.E.
Week1: BTEC H&SC, Construction, Childcare, Enterprise

Are you ready to fill this in?

Well, maybe for Science at least...

Revision Overview – EXAM SEASON

As you go through the 'exam season', you will go to lessons where you have completed the course.

In those lessons*, you need to **prepare in advance the revision you will do for other subjects.**

If you are in an IT room, then you will have the option of using online resources.

If you are in a normal classroom*, then you will need to bring your own revision resources for other subjects (e.g. revision cards, revision guides, past papers, etc).

Use the table below to help you prepare what you can do for each subject for those lessons* or even outside of school. **You will not be allowed to leave your class to go collect stuff from other lessons.*

Subject	Online Revision I can do	Other Revision I can do at home or take to class
English Language		
English Literature		
Maths		
Science		

**By failing to prepare,
you are preparing to fail.**
