Dear Parent/Carer,

The Schools Admission Code (2021) requires a school to consult on their Admission Arrangements every seven years or upon a revised policy. As a new Academy, Ken Stimpson Academy has revised its admissions arrangements. As such, please find information below if you wish to contribute to this process.

You can give your views on the consultation between 18th December 2023 - 31st January 2024

Full details of the proposed Admission Arrangements for 2025 are available at:

<https://kenstimpson.org.uk/information/policies/admission-policy>

The draft policy (consultation document) is included on this webpage.

Anyone can comment on the arrangements. If you wish to respond, you can do this by:

- Emailing: Admissions@Kenstimpson.org.uk
- Writing to The Headteacher's Personal Assistant, Ken Stimpson Academy, Staniland Way, Werrington, Peterborough, PE4 6JT.

All responses received by 31st January 2024 will be considered.

Once the admission arrangements have been determined, they will be available on the school website for the whole offer year (the academic year in which offers for places are made).

Kind Regards

Kevin Abbott

Assistant Headteacher & Head of Sixth Form
