

Dear Parent/Carer

Year 10 Geography Fieldtrip Hunstanton: Wednesday 21st June 2023.

Groups: 102 Gg1 & 102 Gg2

As part of the GCSE Geography course, the Geography Department are organising a fieldtrip to Hunstanton on the North Norfolk Coastline. The aim is to complete necessary primary fieldwork, in order to understand how to collect data reliably and accurately, which will help students understand the 2024 themes of “mitigating risk” and “change over time”. These concepts will be assessed in the ‘Applied Fieldwork Enquiry’ exam worth 30% of the overall GCSE grade, the trip is therefore an essential part of their course.

The cost of the visit will be £12.50 per pupil, this is to cover the cost of travel to and from Hunstanton. This can be made via parent pay. If you are eligible for free school meals, and would like a packed lunch provided by school, please indicate this on the reply slip.

We appreciate that very few funds exist to subsidise such activities and therefore they can only take place if all parents or students are prepared to meet the costs voluntarily. I would like to add that if any parents are unable to meet the cost, please contact me, in confidence, at school.

Yours sincerely
