Dear Parent/ Carers,

I am pleased to attach the Easter Revision classes, with so many that are being put on for year 11 students at the school. The timetable has been emailed out to students and they will have received a physical copy in tutor time on Monday too.

Please note:

- Morning sessions will start at 10am and afternoon sessions at 1pm. Some sessions will run throughout the day.
- If there is no session for your child's subject, we are still running 'open study' sessions on Tuesday and Wednesday each week. Students will be able to do some personal revision in a computer room. For example, they can arrive earlier for an afternoon session or leave later after a morning session and access this room on those days.
- Students will be allowed to go to Werrington Centre for lunch (or can bring their own packed lunch).
- We have tried to minimise clashes, but this has been unavoidable due to the availability of staff on their holidays. Where a clash occurs, students should choose the most appropriate session to go to.

I am indebted to staff for spending some time away from their families to be available for these sessions. I hope that you will encourage your child to attend as many sessions as they possibly can.

Best wishes,

Raja Akhtar
