

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

27 March 2024

Dear Parent/Carer,

### Year 10 Digital Information Technology Booster

This letter is to inform you of the upcoming Digital Information Technology (DIT) coursework booster session that will run during the Easter holidays on **Wednesday 3 April 2024 from 10:00 am to 2:00 pm**. Your child will need to make use of this session as well as the after-school sessions scheduled on Monday and Friday from 3:15 pm to 4:15 pm, during term time, up to 1 May 2024. This will give them the best opportunity to:

- Complete outstanding activities for their coursework
- Take advantage of additional support from their class teacher
- Make use of specific software required to complete coursework tasks.

We recommend that your child aims to attend the Easter Booster session or the after-school sessions during term time.

***Sessions will not take place if there are whole school events, such as staff training, however, these will be communicated to the students in advance.***

Please confirm your child's attendance to the Easter booster session on Wednesday 3 April by emailing me at [f.satari@kenstimpson.org.uk](mailto:f.satari@kenstimpson.org.uk).

If you would like to discuss this matter further, please do not hesitate to contact me.

Yours faithfully,

Mr F. Satari  
**Head of Faculty: Technology & Computing**
