Dear Parent/Carer

I am writing to you on behalf of the Four Cs Trust with regard to the current media attention associated with some schools nationally being affected and closed due to Reinforced Autoclaved Aerated Concrete (RAAC) or Asbestos concerns.

I am pleased to confirm to you that all Four Cs Trust schools listed below have complied with Department for Education instruction previously, in terms of surveys where necessary, and there are no areas of concern to date associated with either RAAC or Asbestos.

- Arthur Mellows Village College
- Ken Stimpson Academy
- Manor Drive Secondary Academy
- Fulbridge Academy
- Discovery Primary Academy
- Hampton Vale Primary Academy
- Manor Drive Primary Academy

There is, therefore, no impact on the return to school for all pupils and staff who attend these schools, and we look forward to seeing them all return for this next academic year.

Kind regards

MR M SANDEMAN
