

Headteacher: Mr D. Whales | Chair of Governors: Mr A. Brown

Dear Parent/Carer,

Re: Autism Hub at KSA

We are writing to inform Parents/Carers of Ken Stimpson Academy's decision to close its Autism Hub at the end of this Academic Year. **The Hub will officially close on 31st July 2025.**

Please be assured that careful consideration and planning has gone into this decision, and the school remains dedicated to working with parents and relevant external agencies to ensure families are supported through this transition.

The Autism Hub was a provision delivered in partnership with the Local Authority. Its closure will not affect the normal SEND support that the school currently provides for our mainstream students. We are working to further improve our mainstream support and hope that this decision will lead to some increased capacity and further support.

Regards,

Mr D Whales
Headteacher

Mrs A Sharpe
