

# A LEVEL ART and DESIGN SUMMARY OF ASSESSMENT SUMMER 2022 ONLY

## Component 1: Personal Investigation (60% of qualification/120 marks)

For Summer 2022 assessment only, the weighting of Component 1 will increase to 100% of the qualification.

The Personal Investigation consists of **two** integrated constituent parts:

1. a major in-depth critical, practical and theoretical investigative project/portfolio and outcome/s based on themes and subject matter that have personal significance;
  2. an extended written element of 1000 words minimum, which may contain images and texts and must clearly relate to practical and theoretical work using an appropriate working vocabulary and specialist terminology.
- Both the practical/theoretical work and the written element will be assessed together using the assessment objectives. Learners will be required to select, evaluate and present their work for assessment.
  - The Personal Investigation will be determined by the learner and teacher.
  - No time limit: duration to be determined by the centre taking into account the **15th May** deadline for submission of internal marks to Eduqas.

## Component 2: Externally Set Assignment (40% of qualification/80 marks)

The Externally Set Assignment has been removed from the Summer 2022 assessment. Learners will not be required to complete Component 2 this academic year.
