Dear Parent/Carer,

We, at St Neots English Centre are liaising with Ken Stimpson Community School to bring a group of Spanish students to Peterborough in May, to integrate into lessons and enjoy activities and excursions. This will be a fantastic experience for the students and each Spanish student will be 'buddied' up with an English student from Ken Stimpson Community School. These relationships often prove to be long lasting and create many memories.

The students are going to be allocated to Host Families in and around the local area.

If you have a spare room and are interested in hosting two Spanish students for 6 nights, you will be paid **£288** per week of their stay. Equally, if you only want to host one student, then this is fine also. Hosting is a very rewarding and worthwhile experience and many of our Host Families host again and again. If you are interested, then please contact St Neots English Centre on:

info@stneots-ec.com

Once we have your details, then we will explain how to proceed.

Many thanks,
Nicola Broadley
