YEAR 11 News LETTER

What an amazing four Years it has been. As a year group we have travelled far. We have had our ups and we have had our downs. We have been privileged to have gained new students and we have been unfortunate to lose some students along the way. However, here we are, and we are 6 weeks away from our May exams. I have been extremely proud of how Year 11 have conducted themselves in our last round of PPE's. I strongly urge you to access our continued Unit 6 lessons and I am looking forward to seeing many of you throughout the Easter break to engage with our specialised subject teachers where you will be able to gain more knowledge and fill in those gaps you are missing. Please take advantage of this.

We have had and are continuing to have additional assemblies where Senior Management are imparting their wisdom on self-care, revision techniques, how to organize yourself and much more! Please go to our website and access our Year 11 page where you will be able to find revision resources and recommended links. Also, the Easter revision timetable is on there.

After your GCSEs you will be well on the way to your next educational placement whether it is here or somewhere else. If you have not yet secured a placement, it is not too late to apply for courses in our Post 16 centre for September. Please speak to Mr Abbott or Mrs Pierce if you are interested. If you are unsure what to do next after Year 11, please go to our website for further direction and we can set up careers appointments to assist you with your applications.

Although it can be a busy and potentially stressful time of year for Year 11, we want you to know we are here for you. Please talk to us if you are feeling stressed and we will try our absolute best to help you through so you can not only cope, but also to ensure you become successful!

Finally, after all the arduous work Year 11 have put in over the Years, we are looking forward to celebrating at Prom 2023 on June 29th 2023, if you have not yet reserved your place at the Prom, please go to Block 2 and pick up a letter. We are all looking forward to celebrating all your successes.

Have a great Easter Break, take time for yourselves at this very demanding time and we will see you refreshed and ready to go for your May exams!
