YEAR 11 NEWS LETTER

I am so excited as we get underway with Year 11 this year! **Pre-Public examinations** are speedily approaching and key intervention is already well underway. I walk around from tutor to tutor group looking at the high level of engagement and I am very proud to see how many students are accessing the **Unit 6 revision sessions**. The classes are full, the teaching is excellent, and I am looking forward to seeing a great set of exam results!

At Ken Stimpson we have an amazing **Careers Hub** where all students this year will have an opportunity for an appointment. This is to explore what careers students may want to get into and what further education they will need to help them get there. This may include staying at our Post 16 centre or finding a college that is tailored to their individual needs. I would also like to take this opportunity to remind students and parents of our **Post 16 Opportunities Evening** which is on the first Wednesday back after half term, **22nd November 5.30 – 7.30pm**.

We have a really strong tutor team who are the first port of call for students (and parents) and can be contacted via email or telephone during the school hours. Students may also come across our **Safer Schools Officer PC Baker** from time to time. PC Baker works closely with local schools to ensure students remain safe in school and in the local community.

PC Baker

Finally let's continue to stay focused as we endeavour to have a great year!

Mr Reed – Head of Year 11
