

# YEAR 8 News LETTER

SUMMER 2023

Dear Parents, Carers, and Families,

A huge HELLO to you all, I hope that this message finds you and your families well. WOW, I cannot believe that we have come to the end of the academic year and that we have finally made it!

I would like to say the biggest congratulations to Year 8 for getting through the year. It has certainly been an action-packed one, with its challenges but also a year full of successes, achievements and new experiences. We have had many events, visitors, workshops, trips and the pathways process.

As Year 8 continue their journey next year into Year 9 and the start of their chosen pathways and beyond, Miss Mckenzie and I will also be continuing our

journey, moving to support Year 10. Mr Reed will take over as Head of Year 9.

I would like to take this opportunity to thank you all, parents, carers, and families, for all your support over the past year. The relationship between home and school is vital if we want students to be the best possible version of themselves that they can be.

Thank you to all the staff who have been involved in this journey, to all of the form tutors for all their hard work and support. Thanks should also go out to all the teachers and everyone out there who has contributed to where they are today.

Big thanks go out to Mr Hussain for keeping a guardian angel eye over us all and I would also like to take this time to especially thank Miss McKenzie, our Year 8 student support

officer, for her dedication, hard work, and her

continual and tireless support to our students, staff and me. It has been an absolute pleasure being Head of Year 8. I am so happy knowing that I was part of their experience at Ken Stimpson Community School.

Best wishes all and take care of yourselves and each other.

**Mr Housley**  
**Head of Year 8**
